

Reach Out and Sponsor an Child in Zimbabwe!

Over 500 children in and around Nyadire have been identified as orphans. This shockingly high rate is not unusual, as 1/4 of all children in Zimbabwe are orphaned. Some live in orphanages, some live with extended family, some are living on their own leading their own households and often parenting younger siblings.

The Nyadire Connection offers four sponsorship programs:

Sponsor an Orphan at the Home of Hope

The Home of Hope is a children's home at the Nyadire United Methodist Mission founded to care for orphans and vulnerable children. Monthly contributions cover food, medical attention, school fees and uniforms, and salaries for the "mommies" and "daddies". Contact: Mary Beth Zollars, 412-498-2281, mbzollars@aol.com

School Sponsorships

School is not free in Zimbabwe. The School Sponsorship Program provides school fees for orphans NOT living at the Home of Hope. These children live with a grandparent or relative or are heading their own households. The chances of them attending school without support from sponsors are very slim. There are currently 350 enrolled in this program in and around Nyadire. Sponsors support their school fees and school supplies. Contact: Marie Hunt, 724-207-0281, emptynest05@comcast.net

Sponsor a Hearing-Impaired Child

Nyadire has a Hearing-Impaired Resource Unit that services H-I children from the entire province. Students learn the Zimbabwean Sign Language and also learn life skills such as arts and crafts, market gardening, welding, fashion and fabrics, and carpentry. The opportunity to receive an education gives students an identity and voice, teaches self-reliance, provides meaningful purpose, and most importantly encourages friendships, values, and goals. The **Hearing Innovations** Program takes a stand against the negative social attitude towards those with special needs. This program supports tuition, boarding, ear exams, hygiene kits, backpacks, and teacher training. Contact: Molly Michael, 412-805-6481, mollyalice.michael@gmail.com

Higher Education -

This Scholarship Fund is named after Sister Rut Lindgren, a Finnish missionary nurse who devoted her life to the orphaned children of Nyadire. The Home of Hope was her brainchild. "Every child deserves a hug and a chance at life."

This fund is aimed at providing further education for the orphans and hearing-impaired, who have shown such promise, that they now require higher education. Such studies include teacher colleges, nursing colleges, universities, and vocational schools. Applicants must have passed their O-Level and/or A-Level Exams, must maintain passing grades, and perform community service or tutoring.

Sponsors of this program may make an anonymous donation or be paired with one of the candidates..
